THE MAN BEHIND THE WRENCH

MEET GENE

Eugene is a Bloemfontein-born mechanic with over 20 years of hands-on experience and a turbo technician qualification. He's worked on everything from VW Golfs to Porsches, built engines from scratch, and diagnosed electrical gremlins that stumped other mechanics. He brought all of that to Cape Town — and straight to your door.

No middlemen. No markups. Just Gene, his tools, and two decades of knowing exactly what's wrong with your car.

EXPERIENCE INCLUDES

- Engine Building
- Turbo Repairs & Builds
- Electrical Diagnostics
- Starter & Alternator Refurb
- Hydraulic Systems
- Panel Beating
