Health (14)

Fitness (6)

Conversion (13)

Date/Time (6)

Everyday (15)

Science (9)

Age Calculator

Calculate exact age in years, months, days, hours, minutes from date of birth.

Percentage Calculator

Calculate percentages, increases, decreases and differences between numbers.

GPA Calculator

Calculate GPA from courses, grades and credit hours on a 4.0 scale.

Fraction Calculator

Add, subtract, multiply and divide fractions with simplified results.

Square Root Calculator

Find square root, cube root, square and cube of any number.

Quadratic Equation Solver

Solve $ax^2 + bx + c = 0$ with discriminant and roots.

Standard Deviation Calculator

Average Calculator

Calculate mean, variance, standard deviation from data.

Calculate mean, median, mode and range from numbers.

Random Number Generator

Generate random numbers in any custom range.

Ratio Calculator

Simplify ratios and find proportions between numbers.

Prime Number Checker

Check if a number is prime and find nearby primes.

01

Binary/Hex Converter

Convert between binary, decimal, octal and hexadecimal.

Roman Numeral Converter

Convert numbers to Roman numerals (1-3999).

LCM & GCD Calculator

Find Least Common Multiple and Greatest Common Divisor.

P

Permutation & Combination

Calculate nPr and nCr values.

Fibonacci Calculator

Generate Fibonacci sequence up to N terms.

%

Modulo Calculator

Find remainder of division between two numbers.

Proportion Solver

Solve $A/B = C/X$ for the unknown value.

Compound Interest Calculator

Calculate compound interest with various compounding frequencies.

Loan EMI Calculator

Calculate monthly EMI, total interest and payment for any loan.

Mortgage Calculator

Calculate monthly mortgage payment with down payment.

Salary Calculator

Convert between hourly, daily, weekly, monthly and yearly salary.

Tax Calculator

Estimate income tax from income and tax rate.

Discount Calculator

Calculate sale price after discount.

Tip Calculator

Calculate tip and split bill among people.

ROI Calculator

Calculate Return on Investment.

Savings Goal Calculator

How long to reach your savings goal.

Inflation Calculator

See how inflation affects purchasing power.

Profit Margin Calculator

Calculate profit margin and markup.

Simple Interest Calculator

Calculate simple interest.

Break-Even Calculator

Find break-even point for business.

Retirement Calculator

Estimate retirement savings.

Markup Calculator

Currency Converter

Calculate selling price from cost and markup.

Convert between major world currencies.

BMI Calculator

Calculate Body Mass Index and health category.

Calorie Calculator

Estimate daily calorie needs (TDEE) based on your stats.

Body Fat Calculator

Estimate body fat % using Navy method.

Pregnancy Due Date Calculator

Calculate estimated due date from last period.

Water Intake Calculator

How much water you should drink daily.

Ideal Weight Calculator

Find ideal weight using multiple formulas.

Macro Calculator

Calculate daily protein, carbs, fat needs.

Sleep Calculator

Find ideal bedtime for complete sleep cycles.

Heart Rate Zone Calculator

Calculate target heart rate zones for exercise.

Protein Calculator

Daily protein needs based on weight and activity.

BAC Calculator

Estimate Blood Alcohol Content.

BMR Calculator

Calculate Basal Metabolic Rate.

Ovulation Calculator

Estimate ovulation and fertile window.

Walking Calorie Calculator

Calories burned while walking.

Running Pace Calculator

Calculate pace, speed, and race predictions.

One Rep Max Calculator

Estimate your 1RM from weight and reps.

Steps to Calories

Convert steps to calories burned.

VO2 Max Estimator

Estimate VO2 max from 12-minute run.

Max Heart Rate Calculator

Calculate maximum heart rate by age.

Swim Pace Calculator

Calculate swim pace and split times.

Length Converter

Convert meters, km, feet, inches, miles.

Weight Converter

Convert kg, g, lb, oz, stone.

Volume Converter

Convert liters, ml, gallons, cups, oz.

Data Storage Converter

Convert bytes, KB, MB, GB, TB.

Speed Converter

Convert km/h, mph, m/s, knots.

Area Converter

Convert sq meters, sq feet, acres, hectares.

Pressure Converter

Convert Pa, kPa, bar, atm, PSI.

Energy Converter

Convert joules, calories, kWh, BTU.

Cooking Unit Converter

Convert cups, tbsp, tsp, ml for recipes.

Temperature Converter

Convert Celsius, Fahrenheit, Kelvin.

Shoe Size Converter

Convert US, UK, EU shoe sizes.

Speed Distance Time

Calculate speed, distance or time from two values.

Angle Converter

Convert degrees, radians, gradians.

Date Difference Calculator

Find days, weeks, months between two dates.

Countdown Calculator

Days until a specific date.

Business Days Calculator

Count working days excluding weekends.

Unix Timestamp Converter

Convert Unix timestamp to date.

Add/Subtract Days

Add or subtract days from a date.

Week Number Calculator

Find week number of any date.

Fuel Cost Calculator

Calculate fuel cost for any trip.

Electricity Cost Calculator

Calculate power consumption cost.

Pizza Size Comparison

Which pizza gives better value for money.

Paint Calculator

How much paint for walls.

Concrete Calculator

Calculate concrete volume needed.

Tile Calculator

How many tiles needed for floor or wall.

Carpet/Flooring Calculator

Calculate flooring area and cost.

Gravel/Mulch Calculator

Calculate gravel or mulch volume.

Password Strength Checker

Check password strength and security.

Dog Age Calculator

Convert dog years to human years.

Area Shape Calculator

Calculate area of rectangle, circle, triangle.

Ohm's Law Calculator

Calculate voltage, current, resistance, power.

pH Calculator

Calculate pH from H⁺ concentration.

Density Calculator

Force Calculator (F=ma)

Calculate density from mass and volume.

Calculate force from mass and acceleration.

Wavelength Calculator

Calculate wavelength from frequency.

Moles Calculator

Convert between moles, grams and particles.

Half-Life Calculator

Calculate radioactive decay.

Speed of Light Calculator

Convert light-years, AU, parsecs.

Heat Index Calculator

Calculate feels-like temperature from heat and humidity.

Big Number Calculator

Perform arithmetic on very large numbers.

Roofing Calculator

Estimate roofing materials and cost.

Tire Size Calculator

Compare tire sizes and calculate dimensions.

Grain Bin Calculator

Calculate grain bin capacity in bushels.

Scientific Calculator

Powers, roots, log, trig, factorial

Love Calculator

Check love compatibility between names

SIP Calculator

Systematic Investment Plan returns

Welcome to Nice Calculators

NiceCalculators.com offers 100+ free online calculator tools for students, professionals, and everyone. All tools are mobile-friendly, require no signup, and provide instant, accurate results.

Math

Age Calculator, Percentage Calculator, GPA Calculator, Fraction Calculator, Square Root Calculator, Quadratic Equation Solver, Standard Deviation Calculator, Average Calculator, Random Number Generator, Ratio Calculator, Prime Number Checker, Binary/Hex Converter, Roman Numeral Converter, LCM & GCD Calculator, Permutation & Combination, Fibonacci Calculator, Modulo Calculator, Proportion Solver, Big Number Calculator.
