About Us

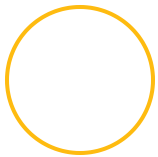

Welcome to Sampurna Adventure

Sampurna Adventure, run by entrepreneurs with more than 20 years of experience in the tourism sector. Paramount importance goes in finding a healthy balance between sustaining the fragile eco-system of those countries in which we operate, whilst welcoming visitors and catering to their need and interest in the best possible way.

Safety, Hygiene and Environment Protection, the principles on which Sampurna Aventura was founded has been the backbone of many of our successful endeavors. Top quality tours and travel arrangement to suit the top-end luxury travelers to the cost-conscious travelers, is what we strive to offer.

Elevate Your Adventure

Why Choose Us?

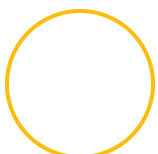

24/7 support

From the moment you inquire about a trek to the completion of your adventure, our dedicated support team is ready to assist you. We offer pre-trip guidance, ensuring you are well-prepared, and during your trek, our responsive support is just a call away.

Tailored trips

We understand that every trekker is unique, seeking a personalized adventure that aligns with their preferences and capabilities. We focus on tailoring trekking packages to meet individual needs, whether you are an experienced mountaineer or a first-time trekker.

THIS DOESN'T GET ANY BETTER

Trip of the Day

This classic "Everest Trek," the highest peak in the world, explores the region of Solu and Khumbu—the old settlement of Sherpa. The trek follows an interesting flight to Lukla and through some interesting yet fascinating villages. Namche Bazaar, Khumjung, and Pangboche will attract you with their n...
