Tagpuan sa Taysan Farm Retreat

Taysan, Batangas, Philippines

Farm Stay

Escape to ‘Tagpuan sa Taysan’, a serene farm retreat in Batangas. Unwind in a modern bahay-kubo, enjoy the private pool, and wander through groves of fruit-bearing trees, including bountiful mangoes. The perfect hideaway to de-stress and experience authentic, laid-back provincial life.

Key Feature:

Modern Bahay Kubo, Private Pool & Lush Mango.

Eco-tourism & agri-tourism is promoted by the municipality, blending farming and nature

restaurant, snorkeling opportunities, and boat docks

Landscaped entrance gate with 24/7 guardhouse and Asian-inspired design.

Swimming pool at the beach club plus ocean-view infinity pool.

Porto Laiya offers a well-planned beach-resort vibe with solid amenities: gated entry, beachfront club with infinity pool and snorkeling, courts and halls, landscaped features, and robust utilities. However, check potential public access on secondary roads to ensure the privacy you expect.

podium, plus 3 basement parking levels.

Full-size basketball court, pocket gardens, lounge areas, children’s playground, landscaped parks, arrival court, and cabanas.

Situated on Taft Avenue across from Rizal Park (Luneta), offering direct views of Manila Bay, Rizal Monument, and Intramuros.

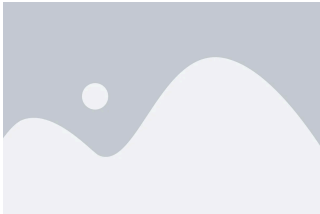

Torre de Manila combines resort-style living with practical city-centre accessibility. Its standout elements include Art Deco styling, Lumiventt design, rich indoor/outdoor amenities, robust security, and exceptional location—all counterbalanced by the building’s controversial visual impact on Rizal Park.

adventure: forested lands, rivers, Bacao/Piña River, Mt. Baklas, and Bacao Falls attract visitors.

Taysan covers ~93.6 km² with ~40,000 residents, characterized by rolling hills, agricultural valleys, and forested upland.

Taysan is a hub for sustainable agriculture and agribusiness—from natural farming and massive poultry production to specialty crops like agarwood. Investors can find diverse farm plots with utilities and infrastructure. For eco-adventurers, lush landscapes and festivals provide attractions that complement farming lifestyles.
